

Give a Gift to Anchorage Kids in Need

17th Annual Shoebox Program

The Anchorage School District has more than 1,200 kids in-need who will not be receiving any Christmas presents this holiday season. The Anchorage Home Builders Association (AHBA) won't let that happen. Every year, members fill backpacks with goodies and toys to be distributed to these children.

How You Can Help:

AHBA will give you a backpack, child's age and gender.
Fill the backpack with gifts and goodies.

If you are unable to fill a backpack yourself, you can sponsor a child by donating \$50. The elves on the Shoebox Committee will then purchase gifts and stuff the backpack for you.
Monetary donations are tax deductible.

To sponsor a child call (907) 522-3605.
